Tera

Hello! Happy anniversary FujoB!! I'm so glad to be part of such a nice team! I hope there will be so much more anniversary's coming in the future! Kiss xo
Fantasy

~My dear FujoB, Let's grow pervy together. And blow... them candles!~ My love for bad haikus aside, what I love about proofing: putting words into people's mouth; what I hate: smex SFX overload. Keep feeding me feisty ukes & delightful conversations, & I'm all yours. Happy 3rd Anni... gimme my cake, I wanna eat it ;)
Shayla

Happy anniversary!!
here's to another year of sharing more manga! :)
Nathengyn

Thank you Fujoshi Bitches for awakening my ability to redraw pervy scenes. I never would have realized my hidden talent otherwise. I love helping spread all of the BL love and have had so much fun in my time here! Here's to many more years together!
Gumm

Hello! I'm pretty new to the group but congrats on the anniversary and I hope we can create more BL scanlations~
Mayuka

Wow, it's been a year and a half now. Thanks for everyone's hard work as always ♡_♡b
JerBear

Wow, 3 years already? I'm truly grateful to everyone that has helped FujoB over this past year! Some have gone but the ones that stick are truly amazing! We couldn't have a group that does as well without each and every one of you. It's the staff here at FujoB that makes me love what I do, they're all true friends! <3 We can make this coming year even better! Thanks goes to Nathengyn that drew her own version of Kabu and Nirasawa for your eyes!! I'd also like to thank our yonts partners, without them it'd be hard to do a lot of stuff we're doing! Finally thank you, the readers that support us with your lovely comments and kind words that help us push thru!
Crystalynn

Literally joined a month ago, but happy anniversary to FB scans! Hope to stick around for the next one :D
Papa bless <3

Fujoshi Bitches is like the most productive and consistent group I've ever slaved (worked) for. Crys is an amazing head, always providing me with delicious manga to work with, and works super efficiently! I've been in FB for about a year and I hope I can stay here for as long FB is around! Thanks for having me and I'm so glad to be working alongside with fellow fujoshis!! (ﾉ*□*)ﾉ□
Vien

Happy Anniversary FujoB! Time flies and it is wonderful to see that this group has remained strong, bringing us all a little taste of enjoyment! Thank you!
Johanna

Thank you for supporting us all this time. And thank you to Crys for always giving me stuff to work on and sourcing for such good manga! Happy anniversary to all FB members!! :)
Melly

Happy Anni FB!
Even though I haven't been a member of this group for long, I have had the chance to take part of many projects and got to read quality BL. :) Thank you Crys, for letting me join the group and teaching me many things; thank you FB Staff for all the hardwork they've been putting into releases; and thank you readers for all your support!

Hold My Hand, Fall in Love

Te-wo Tsunai de
Koi-wo

It's my first time drawing a couple in such a long story, so there are parts I'm a bit worried about because I don't know if it fits together nicely, but according to my original plan, I've managed to draw Tatsumi-senpai as well so I'm very satisfied with this!
I drew Tatsumi planning for him to be the uke from the start but in the middle my editor asked "He's the uke right?" so that shows that my couplings are consistent which made me relieved. (lol)
Also when working on the storyboard I was writing too fast so the word "Tatsumi" looked like the word "virgin" so I decided on making him a virgin. (T/N: The characters for Tatsumi and virgin look similar.)
Sensei's his partner so he's perfectly healthy!

Thank you Editor D-sama very much for working hard on fixing my work! It's my first experience so there're many things I was anxious about but the fact that I was able to have fun moving the characters in my own directions is thanks to my editors for allowing me to work on this freely! It became a really precious volume to me. I'm sorry for causing much trouble but I'm really thankful!

Also to Suzuki Tsuta-sensei, who kindly drew the Obis for me!!
To think that a day like this would come is like a dream...!
Would Tsuta-san be surprised to find out?
Also the publisher is Dijinsha-san or something. (lol)
Thank you very much for drawing it so pleasantly!!
Tsuta-san is a super kind person.

And lastly the biggest thanks to all my readers who read it all the way to the end!!!
I'd be really happy if you can tell me any of your thoughts.

I hope we can meet again.

Thank you very much!

HOLD MY HAND, FALL IN LOVE

Nanaroku Takaoka

IDC

Thank you very much for picking up "Te wo tsuna de kon'na" this time!

Even if it's someone you don't care about you'd get self-conscious and somehow it's really embarrassing if you were to hold hands with them right?

I thought that there's a fine line between love and hate but if you hold hands with someone you'd be touched by them every day and once you keep thinking about that person, maybe even hate will turn into love? Or so that's what I thought.

I think stuff like a kiss on the cheek after fighting, and holding hands while going home after a fight are good!

I love "reconciling" stories like that so I tried drawing this based on those fantasies.

As to why I came up with an archery club setting it's because I wanted to draw Hakamas since my friend during High School who was in the archery club seemed like she had a lot of fun. I was envious of her. Therefore, I asked that friend about various things and it was fun fantasizing about them. Thank you S-chan!
Occasionally some senpais (male) forget their undershirts so it was great being able to see racy stuff through the slit of their Hakamas.
Wow I see, I see.
Gahhhh hand me your memories of these!!
